Located in the Annex Building next to Town Hall, the Building Division ensures that all construction and development conforms to building standards adopted by the Town. The division and its staff are always available to provide assistance regarding the building code, required permits and any other related questions. The division conducts plan review, issues Building permits and conducts Building inspections for all projects within the Town.

For plan check status questions, call us at 650.757.8888 or email buliding@colma.ca.gov .

To request an inspection, please call our main line at 650.757.8888. Note: inspections must be scheduled at least 24 hours in advance.

Please check our Building Forms section using the link to the left for commonly requested information, or simply click here .
